## CAREER OBJECTIVE

Highly skilled frontend developer with a passion for crafting elegant and user-centric web experiences. Equipped with a strong foundation in HTML, CSS, and JavaScript, along with proficiency in modern frameworks such as React and Angular

## PROJECTS

### Fleet Management System

2023

I developed a dynamic Fleet Management System as the Lead Frontend Developer, utilizing HTML, CSS, and ReactJS. I enhanced vehicle tracking and maintenance, overcoming challenges in integrating real-time data updates and ensuring responsive design across devices, ultimately improving user interaction and system efficiency.

### Passport Management System

2022

I developed a comprehensive Passport Automation System web page as the Lead Frontend Developer, leveraging HTML, CSS, and ReactJS. I streamlined passport application processes, addressing challenges in form validation, user authentication, and data security. My efforts resulted in a user-friendly, efficient, and secure platform for passport services.

## CO-CURRICULAR ACTIVITY
